

Wilderness Canoe

Booking

To make a booking you will need to fill in a booking form and post, along with a £50 per person non refundable deposit to me, Matt Thompson. The balance of the course fee is due 4 weeks prior to the start of the course. We cannot take bookings for anyone under the age of 18 unless they are with a parent or guardian for the duration of the course.

Equipment

No matter what time of year the British climate can produce very demanding weather conditions. Review our kit list of essential items to bring with you on our courses, bringing these items with you will ensure you get the best out of your trip.

Fitness

When you sign and send a booking form you are confirming that you are fit for the course. If you're not sure if you're fit enough please get in touch for a chat.

Insurance

The cost of the course does not include any travel or personal accident insurance. We strongly recommend that you take some out. The British Mountaineering Council would be a good place to start looking for insurance.

Cancellation

If you cancel over 4 weeks before the course starts then all course fees over and above the deposit will be refunded. If you cancel between 2 & 4 weeks before the course starts then you will be refunded 25% of the total course fee. If you cancel less than 2 weeks before the course starts then there is no refund. Wilderness Canoe will make every attempt to run a course. However, if, due to circumstances outside our control like dangerous and/or unsuitable weather conditions, loss or theft of transport or incapacitating injury, we have to cancel a course we will refund all fees paid (*less the deposit*) or find another suitable date.

Weather

The weather can sometimes be unpredictable. Occasionally the weather and conditions will dictate where we go. When booking a course you must understand the importance of having flexible plans.
